2026-27 Thursday Evening League
Draw 1.2

Spares: Barclay Childerhose, Wendy McCauley, Barb Bushby

NOTES: Play the late game on the first sheet to become available. If you are scheduled to play late, be ready to play by 8:15 PM. If a 6:30 game ends early, you may be able to start before 8:30 PM depending on ice crew and prep time. If you cancel a 6:30 game, please inform the teams scheduled to play the late draw to give them the opportunity to play early.

Keep your games on time. Be ready to throw when it is your turn. Early draw teams must start the 8th end by 8:15 PM or the game is over - NO EXCEPTIONS REGARDLESS OF GAMES ENDING ON OTHER SHEETS. Please stay off the sheets being prepared for the late games.

After your games all Thirds need to record on the tally sheet in the clubhouse if your game ended in a win, tie, or loss. Ties will be first broken by record between the tied teams. If the tie isn't broken that way, then it will be broken by lot (draw out of hat).
